

COMMON SENSE RECOGNITION FOR EDUCATORS AND SCHOOLS

Support Digital Well-Being in Your School Community

Earn recognition for your work. Inspire a generation of digital citizens.

Digital citizenship is essential for children's well-being today and for the opportunities they'll have tomorrow. Common Sense Education's Recognition Programme offers a personalised road map for your professional growth and creates a culture in which your school community is invested in helping children thrive as learners, leaders and citizens.

BENEFITS

Common Sense Educators and Schools help learners succeed — and thrive — in today's digital world.

- Earn a badge for your work integrating digital citizenship into the classroom.
- Build your teaching practice with new tools and digital teaching strategies.
- Show families your commitment to teaching learners essential digital skills.
- Engage your learners and ensure digital well-being in your school community.

Become a Common Sense Educator or School in three phases:
